COUNTRY FAIR

Welcome to Riverhead

Co-Coordinator's Message:

Welcome to the 2012 Riverhead Country Fair!

This year marks the 37th Columbus Day Weekend that has celebrated the agricultural heritage of our town. As one of the largest festivals in New York State, Riverhead hosts visitors and vendors from many states throughout the country.

Take time to enjoy the works of original artists, agricultural and homemaking displays and competitions, authors, entertainers, local merchants, food, amusement rides, pony rides, business expositions and displays, and of course, more food. Covering more than 100,000 square feet, we offer something for everyone.

The Country Fair does not come to fruition without a coordinated effort of many people, starting with our dedicated and diligent Fair Committee as well as scores of volunteers whom all band together to ensure a day that is safe and enjoyable for the whole family. Excellence in service is provided by our local government officials, police, ambulance, fire and highway departments, along with the Chamber of Commerce, multiple service groups, local merchants, the Public Library, Boy Scouts, Historical Society, advertisers and sponsors.

Enjoy our Town-wide "little block party"!

Dear Friend:

Welcome to Riverhead's annual Country Fair.

Each year, at autumn, locals and guests from far away gather in Riverhead to celebrate the fall season and to appreciate the bounty and beauty of the North Fork.

The Country Fair is a day when all of us come together; artisans, craftsmen, antique dealers, musicians, food vendors, farmers and just plain 'ole folks to stroll downtown, meet old friends and enjoy the day.

While you are in town, we hope that you will soak up the spirit of Riverhead, because, whether you are here for the day, the weekend or considering relocating to Riverhead, you will quickly come to see, that our positive people, unique atmosphere, hometown feel and caring neighbors make Riverhead the place to be.

Riverhead is a place where you can kick back, get away from the bustle and live your life in full measure.

Have fun today as we honor our rich agricultural heritage... Riverhead is a place where great things rise from the ground up.

We are glad you are here.

Sincerely,

Sean M. Walter
Town Supervisor

COUNTRY FAIR

Welcome to Riverhead!

At the Riverhead Chamber of Commerce we invite you to discover all that Riverhead has to offer. Here at the end, or some may say the beginning of the Long Island Expressway, you'll find the East End's gateway town and epicenter of Long Island's backyard! Superb beaches, renown golf courses, widely acclaimed vineyards and wineries, a world class Aquarium, a thrill filled water theme park, leading hotels, country inns and restaurants for every taste and budget, all set against the beautiful backdrop of Long Island's east end.

Riverhead serves as the East End's retail and service mecca. Beginning with the Tanger Outlets at Exits 72 and 73, the 132 acre shopper's paradise is home to over 165 manufacturers and designer outlet stores. Just east on Route 25, visitors can enjoy our downtown pubs, bistros and brand new world class restaurants, or shop the quaint, unique shops that dot Polishtown, Main Street and country roads. Visitors can shop "local" at our famous farm stands and "pick your own" farms that dot every road leading to and out of our great town. Families have been shopping in Riverhead since it's founding in 1792 as "the marketplace of eastern Long Island", one visit and you'll understand why!

In more recent years, Riverhead has also become home to family entertainment and east end getaway weekends. Splish Splash Water Park adds new attractions each season, families visit Atlantis Marine World & Butterflies at the LI Exhibition Center in downtown year round.

With the growth of agritourism and destination weddings on the East End, leading hotel brands have sprouted up throughout the town, in addition to the Hilton Garden Inn, Holiday Inn, and newly opened Hotel Indigo, Hyatt Place is now open downtown.

It is an honor to serve as President of the Riverhead Chamber of Commerce. Our entire focus is the support of the Riverhead market. We're currently working on introducing a consumer oriented marketing program designed to support our members and build a bridge to the many consumers that live, work and play in Riverhead.

We appreciate your support of Riverhead and invite you to join our organization, on behalf of the Board of Directors; we wish you a wonderful visit to our town, the marketplace for eastern Long Island!

Cordially,

Janine H Nebons
2012 President
Riverhead Chamber of Commerce
